**FOR OFFICAL RELEASE:**

Town of Plymouth, CT:

Effective **IMMEDIATELY**, The Town of Plymouth and the Plymouth Fire Marshal's Office have **RESCINDED** the temporary burn ban.

Please be advised, the burning of leaves is not allowed.

Do **NOT** leave fires unattended and always have a water source available in the event the fire spreads from outside of its containment area.

Please check the date of your burn permit if you have one. Contact the Plymouth Fire Marshal's Office to get an updated permit if yours is expired or needs to be updated.

Reminder, burn permits are only valid on days that the fire danger is Moderate or lower. High, Very High, or Extreme danger days, open burning is not permitted.

The fire danger levels can be monitored at:
